88 “This rendition of Segura Viudas’s off-dry bubbly is nice and yeasty, with plenty of baked apple pie and buttered toast on the nose. The palate is spunky but round, with semi-sweet flavors of apples and ripe nectarines. Shows some complexity and depth on the finish as well as a richness that makes it to all corners of your mouth.”

86 “Plump and yeasty, with some sweet pastry aromas. Flavors of apple, nectarine and melon are ripe, bordering on sugary. Sits rather flat in the glass but becomes frothy once it hits the palate. Simple and tasty, with a candied edge.”

“For the money, this is one of the most unabashedly delicious sparklers I have ever drunk – it wasn’t enough just to taste it; I had to pour a whole glass in order to enjoy (and restrain myself from a second in order to leave leftovers for the survivor test). Although Segura Viudas is Freixenet’s upmarket cava brand, it remains an amazing price for what you get – ripe, vibrant pear fruit, creamy texture. If you like to entertain, the beautiful bottle brings an elegant look to the gathering. Kitchen Fridge Survivor Grade: A”

84 “With twice the residual sugar as the brut, this is still quite dry and austere. Some tidbits of flavor suggest honey and pineapple. Clean, refreshing finish.”
