

BEST BUYS

88 Segura Viudas NV Brut Reserva (Cava); \$10. With aromatic touches of haystack and vanilla in addition to green apple and mineral, the nose is inviting. On the palate, it's nice and lemony, with green apple acids offering a modest scour. Cleansing and ideal with simple finger foods. Very nice for the price. Imported by Freixenet USA. **Best Buy.**

88 Segura Viudas NV Brut Rosé (Cava); \$10. A lively number with kick and effervescence. The nose is kind, with light fruits and a whiff of chocolate. Plum and raspberry flavors are nice and accented by earthy spice, while the wine's texture and structure seem more than solid, given its everyday price. Imported by Freixenet USA. **Best Buy.** —M.S.

87 Segura Viudas NV Extra Dry (Cava); \$10. Subtle aromas of white fruits, talc and powdered sugar are totally what they should be given that this is an extra dry Cava. The palate is a little sudsy and active, but the flavors of citrus and white pepper are balanced and not overly sweet or confectioned. Shows good clarity from start to finish. Imported by Freixenet USA. **Best Buy.** —M.S.
