W&S Critics Picks 2008

Segura Viudas
Cava Brut Reserva \$10
“This is clean, fresh and lively—a classic blend of macabeo, parellada and xarel-lo. At this price, it’s difficult to find another sparkling wine in the world that delivers such consistent quality and character.” —Peter Liem
“It has a delicacy about it. The leanness and minerality of this wine would pair well with melon.” —Tim Snyder
