

Segura Viudas

Brut Rosé

Segura Viudas Brut Rosé is a lively example of the endless possibilities for vibrant, well-made cavas from the Segura Viudas house. Made in the *méthode champenoise*, Segura Viudas Brut Rosé features a unique blend of traditional Spanish grapes grown in the Alt Penedès, the heart of Spain's renowned cava country.

Delicate and crisp, Segura Viudas Brut Rosé is fresh and fruity with red fruit aromas of raspberry, currant and grenadine. A lingering cherry note on the finish is crowned by a light touch of sweetness.
